Conference Agenda

• Keynote speaker
• Plenary panels
• Interactive workshops
• Oral presentations
• Poster sessions
• UNICEF Supply Warehouse tours
• Ebola Community Care Center model tour

And many opportunities for exchanging ideas and networking during breakfast, coffee breaks, lunch, receptions!
Conference Objectives

• Strengthen supply chains and related activities to better meet human needs

• Facilitate dialogue across organizations & sectors to:
  – Articulate challenges and successes
  – Identify opportunities for new practices, research, or technology solutions
  – Identify priorities for strategies, policies, and investments
Challenge to You

- What knowledge can I take away for myself and/or my colleagues?
- What action will I take when I return?
- What action will I ask others to take when I return?
