**Title**

Supporting Governments to Outsource Logistics Services

**Summary**

- Informal logistics outsourcing by donors and implementers limits support to govts.:
  - ✓ Lack of expertise within donors and implementers on logistics outsourcing
  - ✓ Limited accumulated knowledge, practices or standards
- Supporting govts. with logistics outsourcing moving forward would benefit by having:
  - ✓ Common understanding of logistics outsourcing and HR capacity requirements
  - ✓ Creating a car instead of a faster horse
  - ✓ Testing new solutions
  - ✓ Shifting to developing “fire codes” instead of a focus on responding to fires
